Additional Inspections as a Result of a Violation:

Please see notes on reverse side.

Notes:

* All non-residential site plans will be prepared by an engineer, licensed to practice in the State of Michigan.

Any agricultural operation or farm working under an agreement on file with the Soil Conservation Service is exempt from this fee schedule, providing it complies with the requirements of Act 147, P.A. 1972

If the County determines that external review by a professional engineer is necessary, all costs will be paid by the developer.

Permits are issued for one year only. Permits may be extended, for one additional year only, at half of the original permit fee. Permits for Landfills, Gravel Pits, and Mining Operations may be extended for up to five years, at one half of the original permit fee, at the discretion of the applicant.
